

## EXCELLENCE IN BUSINESS CREDIT INFORMATION

Thanks to our business information platform you can easily access the most valuable business credit information from the highest quality local providers in a standard layout so that you can simply read and analyze our reports.

## SKYMINDER KEY BENEFITS

### SELECT AND MONITOR YOUR CUSTOMERS

Prevent credit risk by carefully selecting your customers.

Monitor your customers' performance.

Control bad debt exposure.

### CHECK IF A COMPANY HAS THE FINANCIAL STRENGTH TO BECOME A TRUST SUPPLIER

Verify if a company is able to delivery quality goods and properly services on time.

Make sure your suppliers have cash flow to make deliveries.

### EMPOWER YOUR CORPORATE BUSINESS COMPLIANCE THROUGH RELIABLE KYC AND DUE DILIGENCE PROCESSES

Know Your Customers (KYC) allows you to verify your business partners and their shareholders to prevent fraud.

Enhance your Due Diligence thanks to in-depht information checking if a merchant, vendor or franchisee is trustworthy and monitor competitors.
